SUBJECT: Approval of Architect Selection for Lyons Middle/Senior High School Addition and Renovation Project

RECOMMENDATION

That the Board of Education authorize the administration to enter into contract negotiations with Hutton Architecture Studio for the design of the Lyons Middle/Senior High School Addition and Renovation Project, and further authorize Rick Ring, Assistant Superintendent of Auxiliary Services to sign contract documents.

BACKGROUND INFORMATION

The architect review committee interviewed seventeen of the prequalified architectural design firms from responses to RFQ 2008-016 "Architectural Services for Remodel/Additions." Ten of these architectural firms were short listed as the most qualified to provide services for 2008 Bond renovation and remodel projects.

Eidos Architects, Bennett Wagner and Grody Architects, and Hutton Architecture Studio interviewed specifically for the Lyons Middle/Senior High School Addition and Renovation Project. The review committee selected Hutton Architecture Studio as the most qualified for the project.

The individual contract documents will be available in the Operations & Maintenance Office for public perusal.
