

## Heritage Middle School

- Classrooms will be updated to enhance learning communities with St. Vrain's 2008 Educational Specifications.
- Specific areas to be remodeled will include special education and music areas.
- Technology teaching infrastructure will be provided to enhance the educational delivery possibilities.
- Media and computer labs will be enhanced to provide students with new educational possibilities while supporting secondary education in IB, AP, STEM, MESA and other advanced opportunities.
- Building safety will be enhanced to support learning in a safe environment.
- Interior doors will be refinished or replaced and ADA compliant hardware will be installed.
- Student lockers will be repaired or replaced.
- Old sidewalks and deteriorated external elements will be replaced with new concrete and ADA compliant curb ramps.
- Classrooms and bathrooms will be updated for ADA compliance.
- Repair or replace the carpet and refinish existing flooring to enhance education environments as needed.
- Replace the exhaust fans and the rooftop units as required.
- Provide a backup emergency generator.
- Installation of a fire sprinkler system as required.
- Upgrade electrical services, intercom and the fire alarm systems as required.
- Repair or replace deteriorated roofing systems as required and implement improved energy performance.
