

Evaluation of Evaluators

Provision shall be made for periodic evaluation of evaluators of professional staff to ensure that the total process is being carried out in a fair, professional and credible manner.

All persons who evaluate professional staff members shall possess an administrative license issued by the Colorado Department of Education and shall have received education and training in evaluation skills approved by the Department. Issuance or renewal of an administrative license requires that the applicant has received such approved education and training in evaluation skills.

Evaluation instruments for all professional staff administrators shall include a section dealing with their evaluation skills. The Superintendent or designee shall review all evaluations done by professional staff administrators and when necessary shall discuss with them procedure and form.

The Superintendent's evaluation skills shall be part of his/her evaluation by the Board of Education.
