

## Naming of Facilities

The Board of Education recognizes that the process for naming or renaming a school, school facility or area of school property is a matter deserving thoughtful and serious consideration. Ordinarily, a facility will not be renamed unless the current name has become obsolete or is deemed inappropriate because of the community it serves or the program it houses.

An advisory committee will be formed to solicit community input for naming or renaming a school.

School facilities may be named for a geographical area, community location or in honor of a deceased individual who has made a significant contribution to the field of education at either the local, state or national level.
