

## Parking Lot Searches

The privilege of bringing a student-operated motor vehicle on to school property is conditioned on consent by the student driver to allow search of the vehicle when there is reasonable grounds for such a search.

The act of bringing a motor vehicle onto school property shall allow the principal or designee to presume consent by the student, parent/guardian or owner of the vehicle for a search of the vehicle. Refusal by a student, parent/guardian or owner of the vehicle to allow access to a motor vehicle on school property at the time of a request to search the vehicle shall be cause for termination, without further hearing, of the privilege of bringing the vehicle on to school property.

The principal, or designee, may request a law enforcement officer to search a motor vehicle on school premises subject to the provisions of the policy on student interrogations, searches and arrests.
