

## **Student Donations and Gifts**

### **Gifts to schools**

Class gifts to schools shall be accepted in the name of the school and District when presented and given to the school as a class memorial. Appropriate recognition, determined by the building principal, shall be given for the receipt of class gifts.

### **Gifts to school personnel**

The school district discourages students and parent groups from giving gifts to school personnel. Students also shall be discouraged from collecting money for giving gifts to school personnel.
